

BLUE INNOVATION FOX
ADVENTURES

YOUR ROUTE. YOUR ADVENTURE.

MADEIRA EXPLORER

Seven hiking worlds on Madeira

Atlantic cliffs. Laurel forests. Above the clouds.

From volcanic coastal cliffs to misty forests and high peaks: discover seven selected hiking trails with GPX routes and a detailed guide. For days outdoors you will remember.

LANGUAGE EDITIONS

SEVEN ROUTES. ONE ISLAND OF CONTRASTS.

Which view will be yours?

Choose by time, fitness and the scenery you love. These are separate hikes, not a continuous multi-day trek.

01 Ponta de São Lourenço

Volcanic cliffs and Atlantic views to Casa do Sardinha.

PR 8 | One-way GPX

4.0 km

270 m ascent

02 Vereda dos Balcões

From Ribeiro Frio through woodland to Balcões viewpoint.

PR 11 | One-way GPX

1.4 km

100 m ascent

03 Vereda do Areeiro

Exposed mountain trail with tunnels from Areeiro to Ruivo.

PR 1 | One-way GPX

5.3 km

790 m ascent

04 Vereda do Pico Ruivo

From Achada do Teixeira to Madeira's highest summit.

PR 1.2 | One-way GPX

2.7 km

370 m ascent

05 Levada das 25 Fontes

Follow the levada to the famous spring-fed pool.

PR 6 | One-way GPX

4.6 km

110 m ascent

06 Vereda do Fanal

From Paúl da Serra through laurel forest to Fanal.

PR 13 | One-way GPX

11.1 km

340 m ascent

07 Levada do Rei

From Quebradas through lush forest to Ribeiro Bonito.

PR 18 | One-way GPX

5.0 km

530 m ascent

Figures refer to each included GPX track, not necessarily the full day's hike. Plan return walks or transfers separately. Elevations are rounded model values. PR 1 is demanding and exposed (SAC T3); check current access.

BLUE INNOVATION FOX
ADVENTURES

FROM ANTICIPATION TO THE TRAIL.

Your hike. Thoughtfully put together.

Less searching, more clarity: route files and practical hiking information brought together.

Inside your digital package

07 GPX ROUTES

One file per route for devices and apps with GPX import.

ENGLISH-LANGUAGE PDF GUIDE

Maps, elevation profiles, stages, POIs and practical notes.

PRACTICAL PREPARATION

Arrival details, safety notes and Garmin import instructions.

ADDITIONAL MAP VIEWS

KML for Google My Maps and KMZ for Google Earth; instructions included.

Watch image: illustrative marketing concept. Navigation and map views depend on the device and installed maps; watch not included.

YOUR NEXT DAY OUTDOORS.

Discover your Madeira.

Perhaps your adventure begins by the Atlantic. Perhaps beneath ancient laurel trees. Choose the route that suits your day - Madeira Explorer provides the files and the overview.

1

Choose

Match distance, ascent and trail demands to your ability.

2

Prepare

Import the GPX, sync your device and save the guide offline.

3

Set off

Check weather, trail status and any required reservations.

DISCOVER MADEIRA EXPLORER

Before you buy: Digital files for self-guided hikes. Arrange return walks and transfers yourself. Access, reservations, fees, travel and meals are not included. Navigation depends on your device.

Images: AI-generated inspirational illustrations, not exact location photographs. Not an official Garmin product.
